Комиссия особо отметила работу одной из школьниц.

Три школьницы из Приморья стали победителями в международном творческом конкурсе, который проводила ассоциация региональных административных центров Азии (АРССА). Конкурс развивает интеллектуальный потенциал и творческую активность молодежи, а также помогает преодолеть этнокультурные межгосударственные барьеры, сообщил РИА Владивосток со ссылкой на пресс-службу правительства края.

По информации министерства образования Приморского края, в конкурсе принимали участие сотни школьников из разных стран и городов, в том числе девять ребят из Арсеньева, Находки, Шкотовского, Кировского районов и Хорольского муниципального округа.

Из большинства работ выбрали всего 40 победителей, среди которых — Екатерина Бушковская, школьница из Арсеньева, занявшая третье место и получившая приз.

Помимо этого, жюри отметили работу Марии Филоновой из Хорольского округа и наградили её дипломом. Комиссия поздравила девушку с их достижениями.

Добавим, что приморских школьников хвалит за их отличительную активность и пытливость.
