

The 18th Investment & Trade Forum for Cooperation between East and West China & The Silk Road International Exposition Invitation Letter

Honored ladies and gentlemen,

To promote the communication and cooperation among countries and regions along the Silk Road Economic Belt, the the 18th Investment & Trade Forum for Cooperation between East and West China & the Silk Road International Exposition will be held in Xi'an, Shaanxi Province from May 23 to 26, 2014, hosted by National Development and Reform Commission, Ministry of Commerce of the People's Republic of China, China Council for the Promotion of International Trade and the People's Government of Shaanxi Province.

Themed at Expanding Open Cooperation and Promoting Common Development, the Silk Road International Exposition will give full play to the advantages of Shaanxi, China, the origin of the ancient Silk Road and a key junction of the modern Eurasia Land Bridge. Depending on the unique history and culture, science and education and the industrial base, Shaanxi will be created as the new start of the Silk Road Economic Belt, forming a new preponderance of linking the East and West, connecting the South and North and expanding the Opening-up. The Exposition will organize a series of activities, such as, topic

forums and seminars, exhibition and demonstrations, host country activities, trade associations round tables and the project matchmaking and negotiations, etc., aimed at strengthening the communication among the countries and regions along the Silk Road Economic Belt and achieving new breakthroughs on the opening-up and cooperation.

We are expecting all the guests to gather in Xi'an, Shaanxi and jointly discuss the cooperation and development plan.

Sincerely inviting!

Committee of the 18th Investment & Trade Forum for Cooperation between East and West China & the Silk Road International Exposition

January 20, 2014

Tables and Activities of the Investment Project
Matchmaking and Negotiations of the Silk Road Economic
Belt

IV. Advantages of the Host Place

1. Distinct Location Advantage

Xi'an is the place connecting the Middle East and West of China, the most significant central city of the new Eurasia Land Bridge, and is the origin of the ancient Silk Road.

2. Abundant Industrial Base

As a province of manufacturing industry, the industrial base of mechanical and electrical products and industrial products of Shaanxi is solid and the industrial pattern dominated with a series of competitive industries, such as energy and chemical industry, metallurgy, mechanics and electronics, aviation, science and education and culture, has formed, therefore, the deep cooperation with Middle Asia in various fields can be implemented. Xi'an is the significant base of various industries in China, such as energy and chemical,

aerospace, automobile manufacture, nonferrous metals industry, electronic information and modern agriculture, it also has the largest inland port in China, i.e. Xi'an International Trade & Logistics Park, as the important energy base of the strategic resources in China, it can construct the resource complementarity with Middle Asian countries and regions, which have rich oil, natural gas and agricultural resources.

3. Strong Education and Science Strength

There are 116 regular higher educational institutions with over a million students yearly and more than 1,000 research institutions of all kinds with 1,100,000 professional and technical persons.

4. Plentiful Tourist Resources

Long history, gorgeous culture and magnificent landscapes add radiance and beauty to each other and the human heritages, such as the Terracotta Soldiers and Horses of the Qin Dynasty, the great Goose Pagoda and Famen Temple are well-known all around the world.
